Journey Glaze / AD-0003

STAMPING AND CUTTING

- Using a dauber, apply Lovely Blue Liquid Color in a circular motion onto the Whip Cream panel, let dry. Stamp the 'Together is Better' sentiment to the top center of this Whip Cream panel with Black Licorice ink.
- To create the multi tone toucans, ink up one bird in Summer Days ink then using the rock and roll technique, roll the outside edge of the tail with Electric Lime ink and the head and beak with Watermelon Fusion ink and stamp onto Whip Cream cardstock. On the second toucan, ink up bird using Summer Days ink and roll the outside edge of the tail in Watermelon Fusion ink and the head and beak into Rich Coral and Tangerine ink.
- Using correlating Color Burst pencils, shade in the feathers and beak. Detail cut around outside edge of both birds.
- Die cut the sunflower from Limeade Splash cardstock, adhere to a piece of Lemon Grass cardstock then detail cut around outside edge.
- Stamp one leaf image using Limeade Splash ink onto Electric Lime cardstock and the other leaf onto Whip Cream cardstock. and detail cut around outside edge of both leaves.

ASSEMBLING THE CARD

- Adhere the printed paper onto the top portion of the Pool Play card base.
- Adhere the stamped Whip Cream panel on to the card base covering the printed paper.
- Pop up the detail cut Sunflower onto the lower portion of the card base using Journey Foam Squares.
- Slip the two leaves behind the sunflower and pop them up using Journey Foam Squares.
- Using Journey Foam Squares, pop up the two toucans and perch them above the sunflowers.
- Add the Candy Dots. Add Journey Glaze to the leaves and add wiggle eyes.
